*Hi James,*

*just to let you know the cines arrived this morning (8 o'clock)*

*Haven't had time to do anything with them yet of course but no doubt I will have a lot to do.*

*I do have a lot more cines that need converting so no doubt I will be in touch once I have them sorted.*

*Regards*

*Hi James,*

*Thanks very much, received the DVD's just as we were leaving to go to a country show for the weekend and had a sneak preview of part of disc one, it's a knockout, absolutely over the moon.*

*Dear James,  
It has arrived!  
Thank you for a most efficient service. I am most impressed by your 'turn-round' time.  
One can see me(just!) flying the JetRanger helicopter( green one) However my "line" is not  
in(just after Coburn shoots my transmission out!)  
Once again, I CANNOT PRAISE YOUR SERVICE ENOUGH.  
best regards

James,  
I have received the DVD today and have viewed it.  
It's excellent and means that I can view all those old films at any time,it allows me to see my Mother and Father who passed on a few years back,just as I remember them.  
Thank you for doing a perfect job,I am really pleased with the result and will recommend you to anyone seeking a similar service.  
Thanking you once again,  
Gary.
