Super 8 and standard 8 cine-films come in several sizes: 50 ft, 100 ft, 200 ft, 300 ft and 400 ft. For transfer to video we charge £3 for each 50 ft reel, £5 for each 100 ft reel, £10 for each 200 ft reel, £15 for each 300 ft reel and £19 for each 400 ft reel. You add £15 for DVD. You also add £4 p&p. Cine on DVD has a maximum running time of 2 hours, so you will need a second disk if your presentation is longer.

Reel sizes and running times are 'nominal'. A 30 ft sequence on a 50 ft reel, for example, is charged at £3, while, similarly, 250 ft on a 200 ft reel is charged at 200 ft - £10. Please 'phone us for advice if in doubt.

Your cine on DVD is a professional presentation with a menu at the beginning, animated titles and music throughout. Your original cines are returned to you with your completed order.

The minimum charge for cine on DVD is £25 plus £4 p&p, £29 in total.

Each film can have its own title to play over the live video. You must be careful to describe the films correctly - the onus is on you to get the titles right, and we charge for revision (£30 per original DVD). You must be absolutely sure that the description you give for a film does belong to that film. The titling is free.

Label your films in the order that you want them on your DVD, beginning with number 1. Enter in the boxes below the title for each film. Titles are no more than four words - years count as one word. For example a title might be 'Scarborough Holidays June 1974'. You can have less than four words in a title

Please do not use sellotape in adding number labels to cine reels. Either use a marker pen to write on the reel itself or write the number on the reel packaging. **Continue overleaf if you have more films for titling.**
